

Child Passenger Safety Seats Education Program

The child restraint and car seat safety educational class is offered to children who reside within the service area of Winslow Indian Health Care Center. Car seats are distributed to parents/guardians and prenatal patients in completion of the Child Passenger Safety Seats (CPSS) education class. Classes are taught by certified Child Passenger Safety Seat Technicians.

When: Weekly prenatal education classes are offered on Thursdays from 9:00 a.m.-10:00 a.m. (MST).

Where: Medical Office Building (MOB) Conference Room 3

You will learn:

- One-on-one training to guide parents on car seat safety
- Instructions on how to select the right child restraint for your child
- Best practice recommendations and how to properly install a car seat

We will also provide you with additional educational online resources to help you adapt to this ever-changing environment. Clients interested in getting a car seat are encourage to complete the following:

- ✓ **Watch Video:**
https://www.youtube.com/watch?v=tSbo_W00tvs
