

Winslow Indian Health Care Center

Job Vacancy Announcement #WDH-23-87

Closing Date: Open until filled

POSITION TITLE: Lead Environmental Services Technician

DEPARTMENT: Environmental Services

Position Summary:

Under general supervision of the Environmental Services Supervisor, assists the supervisor in maintaining a clean, sanitary, and safe environment for patient, staff, and visitors. Promotes cleanliness of environmental surfaces at each facility in an attractive condition and adheres to regulatory and accreditation standards. Maintains cleanliness of the entire facility including satellite clinics. Uphold the principles of WIHCC's Vision, Mission, and Value Statements. Maintains confidentiality of all privileged information at all times.

This list of duties and responsibilities is illustrative only of the tasks performed by this position and is not all-inclusive.

Essential Duties & Responsibilities:

- Maintains regular attendance and punctuality.
- Serves as a backup to EVS supervisor in the adjustment of daily assignment of EVS duties/responsibilities to accommodate departmental workload and ensure facility-wide sanitation needs are covered
- Inspects and rounds on work of employees to ensure proper cleaning/disinfecting techniques and adherence to cleaning schedule/checklist when operationally necessary (e.g. evening shifts, weekends, holidays).
- Serves as a backup to EVS supervisor in department supply management including ordering, receiving, inventory rotation, and distribution of EVS supplies.
- Assists EVS supervisor with completing accurate records creation and retention. Records include (but not limited to) terminal cleaning tracking, shift assignments/checklists, schedule development, and infection control adherence/outcomes.
- Provides regular education to staff during huddles/departmental meetings on cleaning techniques and department equipment operation.
- Acts as a role model and leader for environmental services staff and professionally/effectively communicates recommended corrective action when observing unsafe acts or procedures.
- Serves as a backup point of contact in communicating and implementing safety measures, changes in department policies and correct cleaning procedures.
- Assists with the enforcement of staff adherence to departmental policies, procedures and standard practices.
- Reports any safety or risk factors seen or observed, initiating and maintaining appropriate safety measures.
- Sets up, cleans and straightens conference rooms and offices.
- Cleans and disinfects all clinics areas to include rest rooms, patient rooms, waiting areas, stairways, lobbies, hallways, exam rooms, labs, and all other areas exposed to patients, staff, and visitors.
- Maintains cleanliness of furniture, windows, ventilation louvers, washes walls, windows, windowsills, blinds, glass partitions, and fixtures by dusting, wiping, and vacuuming.
- Disinfects floors of the facility corridors, offices, utility rooms, patient waiting areas and urgent care utilizing accepted standards and guidelines appropriate for healthcare organizations.
- Maintains daily cleanliness of the linen rooms, lounges, bathrooms and other areas using appropriate germicidal solution for disinfecting.
- Maintains cleanliness and disinfects commodes, urinals, washstands, plumbing and door fixtures, mirrors, soap and paper towel dispensers, and stalls.
- Performs hourly rounds of all bathrooms to maintain the area's cleanliness and stock of toilet tissue, paper towels and soap dispensers.
- Ensures floors are kept clean to maintain a safe and clean environment for patient, staff, and visitors.
- Strips, conditions and reapplies floor finishes and polishes floors with high speed floor polishing machines (1500 rpm) as necessary.
- Maintains visual cleanliness and bacteriological cleanliness.
- Empties wastebaskets, trash containers and disposes of trash in proper receptacle including maintaining cleanliness and disinfects wastebaskets and trash containers daily and relines containers every time trash is removed.

- Collects soiled linens including transporting to proper linen site. Follows appropriate standards and procedures when removing contaminated linen and trash to prevent cross contamination of rooms in transporting of soiled linen to prevent bacterial fallout.
- Maintains the isolation area using the prescribed protective isolation cleaning procedures which involves cleaning and disinfecting the floors, sinks, commodes, door, mirrors and spot wiping the walls. Follows appropriate guidelines for cleaning isolation rooms after a patient use.
- Assures supplies are adequate by checking supply inventory and maintains an adequate stock of cleaning supplies. Informs supervisor of needed supplies.
- Uses supplies in the quantity recommended and properly stores all chemicals and supplies so access to them is restricted.
- Keeps storage areas and carts well stocked, clean and tidy.
- Fills out work order requests for items needing repairs. Notifies managers concerning the need for major repairs or additions to building operating systems.
- Maintains a log book of various environmental services activities on assigned unit.
- Completes daily duties and tasks per departmental checklist for each shift; completes documents and submits to the supervisor at the end of the shift.
- Performs work in an independent manner adhering to safety regulations and objectives and practices and procedures of the WIHCC Housekeeping Policies, Administrative Policies, and Safety and Infection Control Policies.
- Reports any unsafe conditions to supervisor.
- Upholds all principles of confidentiality and patient care to the fullest extent.
- Adheres to all professional and ethical behavior standards of the healthcare industry.
- Adheres to WIHCCs Personnel Policies and Procedures, departmental policies, rules, and regulations.
- Interacts in an honest, trustworthy and dependable manner with patients, employees, visitors, and vendors.
- Possesses cultural awareness and sensitivity.
- Maintains compliance with all Human Resources requirements.
- Performs other duties as assigned.

Minimum Qualifications:
