

CHILD PASSENGER SAFETY SEATS

Education Program

The child restraint and car seat safety educational class is offered to children who reside within the service area of Winslow Indian Health Care Center. Car seats are distributed to parents/guardians and prenatal patients in completion of the Child Passenger Safety Seats (CPSS) education class. Session is taught by a certified Child Passenger Safety Seat Technician.

WHEN

By appointment only.

Call **928-657-1044** to set up an appointment.

WHERE

Dilkon Medical Center **OR** WIHCC Office of Environmental Health (WI-16)

Appointments are encouraged to ensure a technician is available.

We will also provide you with additional educational online resources to help you adapt to this ever-changing environment.

Clients interested in getting a car seat are encourage to complete the following:
