

Child Passenger Safety Education & Distribution

Child and Vehicle **MUST** be present to receive car seat.
FIRST COME, FIRST SERVED (limited car seats).

Jeddito Public School

**December 6th, 2022
10 AM - 2PM**

The child restraint and car seat safety educational class is offered to children who reside within the service area of Winslow Indian Health Care Center.

Car seats are distributed to parents/guardians and prenatal patients in completion of the Child Passenger Safety Seats (CPSS) education class.

Classes are taught by certified CPSS technicians and may take up to one hour.
