! Alert: Unauthorized Agent and Broker Activity on ACA Marketplace

The Health Insurance Marketplace is seeing an increase in suspicious activity by some agents and brokers selling Marketplace coverage. This may include signing you up for coverage without your knowledge or switching you out of a plan you already have and into a new one.

Agents and Brokers are individuals and organizations that help enroll consumers in coverage and also get payments from insurance plans.

What you need to know to protect yourself

- Agents and brokers **must get your permission** when signing you up or making changes to your insurance plan.
- Health insurance ads on social media or elsewhere that offer you cash, gifts, or other perks, could be a scam. Don't give out personal information that might be used without your consent.
- Use trusted, official sources to find legitimate help comparing and enrolling in Marketplace insurance. Go to "find local help" on [HealthCare.gov](https://www.healthcare.gov) or call the **Marketplace Call Center at 1-800-318-2596** to find help in your area.

What to do if you suspect changes were made on your account

- You may discover a potential problem with your coverage when you get mail or a call, or visit the doctor and try to use your insurance.
- If you believe you were enrolled in or switched to a plan without your knowledge, call the **Marketplace Call Center at 1-800-318-2596 (TTY: 1-855-889-4325)** so our official Marketplace representatives can resolve any coverage issues. Wait times are low and a representative will be able to help answer your questions.

How the Marketplace can help

If the Marketplace representatives determine you have been enrolled or had your plan switched without your knowledge, our representatives can work with your insurer and the Internal Revenue Service (IRS) to:

- Make sure the unauthorized plan is cancelled
- Make sure you're reenrolled in a plan that you choose
- Have inaccurate costs repaid to you
- Get corrected tax forms
